MORE MONEY BEING SPENT ON ATHLETES

New Athletic Governing
Board Working Well

MUCH DISCUSSION

Will Give Certificate to All
Men Breaking Athletic
Records

More money is being spent on ath-
letic activities this year than in any
previous year, it was conclusively
proved at a meeting of the Athletic
Governing Board held yesterday after-
noon. The change from last year's
system to the one at present in vogue
has proven very effective, and has been
of greatest benefit to the student body
in general.

Several other matters of importance
brought before the board included,
the cancellation of the contract for
the game against Ottawa, and the game
against the Hamilton Tigers. The
action of the manager in arranging
this game was approved.

The board also approved of the for-
mation of the Golf Club, but inasmuch
as McGill has no links of her own,
they could not see their way clear to
give the club their financial support.
The board also combined to action
in the matter of securing excuses for
absence from lectures for members
of the club.

The Athletic Board has also decided
to issue a special certificate to mem-
bers of the University breaking any
athletic record. This certificate is the
same size as the one awarded to wear-
ers of the "M." The certificate reads:
"The Athletic Board of McGill
University presents this certificate to
who, on the
broke the McGill record for ——— and
established the new one of ———"
The signatures of the club manager
concerned, the chairman of the Ath-
letic Board and the Athletic Manager,
as well as the University seal are on
the certificate. An impressive engrav-
ing of an athlete in action also ap-
pears on the certificate. This certifi-
cate was designed by Gardner of the
department of Architecture.

The date of the departure for out of
town games came up for considera-
ble discussion. It was felt that

ANOTHER JAZZ TEA UNDOUBTED SUCCESS

Increasing Popularity of
Weekly Functions

The second of a series of "Jazz
Teas" went off with a bang! bidding
fair for those to follow. Passers-by
were lured into the Union Cafeteria by
the strains of Cloutier's Orchestra,
playing such favorites as "Oh Gee Oh
Gosh," "Dirty Hands Dirty Face" and
other popular hits.

Seniors and Freshmen mixed in
common pursuit of "a pot of tea and
music" until the cafeteria was filled to
overflowing by groups discussing
everything, from their recent fall of
snow, to coming lash with Varsity.

The success of the last two teas as-
sures the Union House Committee of
a very successful year so far as the
programme of tea which it has arrang-
ed is concerned. Last winter these
teas proved a popular pastime many
were the undergraduates who drowned
their sorrows in the golden nectar and
were warded into forgetfulness by
dreamy syncope.

Jazz teas were extremely popular at
McGill last year attracting record
crowds each week which taxed the
staff of the cafeteria to its utmost.

enough to hold you all. Don't

DATE MAKING AGENCY

A Date Making Agency has been
started by a co-ed at Kansas Univer-
sity as a means toward paying her
school expenses. For twenty-five cents
she will arrange a date for any girl,
satisfaction guaranteed or money re-
funded. The agency gets an addition-
al date with the same man. If the
couple eventually become engaged, the
date maker gets a five pound box
of candy.

Junior Prom. Highly Popular
Event

A jazzy time is expected at this
year's Junior prom, set for the twen-
ty-third, all indications point toward
a repetition of last year's tremendous
success. The orchestra, Cloutier's, is
in perfect form, and the refreshments
and decorations which are costing the
committee many a weary and sleepless
night, will be the best seen in these
parts for some years.

The tickets were issued yesterday on a
pro rata basis to each faculty and the
look on the faces of those fortunate
enough to draw a lot entitling them to a
pastebord was wonderful to be-
held. On the other hand the gnashing
of teeth and wailing moans of those
missed out was painful in the extreme.

ROOTERS TO GIVE TEAM BIG SEND OFF

Everybody Wanted This
Morning at 9.15

C.P.R. STATION

Many Autos Bearing Stu-
dents to Toronto

This morning at 9.15 the McGill
senior rugby team leaves for Toronto
to battle the Varsity aggregation in
the game that will decide second
place in the Intercollegiate standing.

It has been planned to give the
players a great send-off and when
the train pulls out from the Windsor
Station the boys will know that they
have the whole college behind them.
The sudden change in the team's
plans, in going in the morning instead
of taking the night train slightly up-
set the rooters' arrangements but
nevertheless the "thundering thou-
sand" will be on deck.

Jeff Harding, the Red and White's
inimitable cheer leader, will be there
to swing his "gang" into action and
it only remains for every fellow to see
that he gets down to the station in
good time.

Not only will the team be sent off
with McGill cheers ringing in their
ears but a great number of students
are taking advantage of the reduced
railroad fares to follow the team
right to the battle. Since yesterday
noon automobiles varying in size from
"road lice" to limousines have been
leaving the city, Toronto bound.
Carrying ardent supporters of the
team who are going to see the
game at all costs.

Decorated with McGill colours and
bearing streamers "Give 'em Hell
McGill" and emitting all sorts of
strange noises, these cars are
tearing toward the Queen City with
all possible speed.

After the win over "clawing Tigers"
the followers of the fortunes of the
Red and White feel confident that
the team will turn back the strong
Varsity squad and finish the season
in second place.

At a meeting of the Students'
Council held last night it was de-
cided to send a cheer leader to Toron-
to, to organize the men as they ar-
rive on foot, train or auto and the
McGill gridmen will be assured of
plenty of support when they trot
out on the field tomorrow afternoon.

FUNERAL OF DR. GARROW 2 O'CLOCK

Lectures and Clinics Sus-
pended in Medical Faculty

The funeral of the late Dr. Alexan-
der Garrow will take place this after-
noon. Services will be held in the
Knox Crescent Church at 2 o'clock and
will be conducted by the Rev. Dr. R.
W. Dickie, assisted by the Rev. Dr.
George Duncan. Preceding this there
will be a private service at the resi-
dence 289 Mountain St. for his family
and intimate friends.

Dr. Garrow was held in the highest
esteem by all whose privilege was to
know him. To the medical student he
was over a shining example, his
over present kindness and his unself-
ish devotion to duty are attributes
which every medical student should
acquire. Dr. Garrow leaves in his pas-
sing a place which will not and can-
not be filled in the affections of those
who knew him. His achievements, his
work, he himself will live—they will
spur men to the call of duty and ser-
vice.

Lectures and clinics have been sus-
pended for the afternoon in the Medi-
cal Faculty to give the students an
opportunity to pay their respects to
their immortal and brilliant teacher.
The funeral will be held at 2 p.m.
Students are urged to attend in a
body assembling in front of the Medi-
cal Building shortly after 1 p.m. so
that they will be able to march down
to the church and be there sharp at
1.30 p.m. The students will congre-
gate about their class presidents ar-
ranging themselves in order of their
years. This is merely done to create
no confusion in the formation of the
procession.

The leading doctors of the Univer-
sity and Royal Victoria Hospital as
well as the members of the staff will
also pay their last tribute.

MONTREAL, FRIDAY, NOVEMBER 9, 1923.

FOR THE COLLEGE

"I am doing as much work, as much for my college as you are." These were the words that hurled themselves at us the other day in the editorial office of the "Daily" where we had gathered to discuss some matters of journalistic interest and where we had been interrupted, as was quite usual, and quite justifiable, by some complaint over a recent news article. Our attempted explanations for what our intruder deemed a slight to one of the clubs which he was representing whose activities had been chronicled in the paper, as we thought in a fitting and proper manner, received scant attention and their further elaboration was prevented by the introduction of the strain of thought which the above remark provoked in our minds.

We had, of course, considered such statements before. They were of more or less common occurrence about the Campus; but till that time we had never made it such a personal matter, and it was only then that the pettishness of the idea began to strike home and in doing so to prove a very unwelcome visitor to our tranquil peace of conscience. We wondered just what this indefinite "college" was in fact. Was it a grand and lofty purpose for which we crucified ourselves? Was it a great work, the progress of which we regarded and assisted as we would something from which we were apart, but were not a part? Or was it, and we feared we were getting near the truth—becoming to be a mere matter of self commendation, too much so. Among some of us who were sitting back behind the congratulatory veil of a charitable service well performed through which we viewed the trifle we added to the student effort about us.

This college, we tell ourselves, is another than us. We are the benefactor, it is the receiver of our benefits. But, a voice whispered in our ear, are not benefitted and benefactor one, and is not benefit for one, benefit for both? We wonder—and the longer we wonder, the more persistent becomes that whisper in our ear, and the more insistent that voice at the door, until now the student seems no unselfish being wrapped up in the needs of his environment, but rather, one possessed of the human faculty of striving for himself and profiting from his opportunities. And who, in so helping himself, helps others.

CORRESPONDENCE

The Daily is not responsible for sentiments of letters published in the correspondence columns. Signed communications from graduates, undergraduates and members of the faculties will be placed in print if they are not of too great length. Correspondents are requested to observe the unwritten law of the newspaper office—that they write upon ONE SIDE of the paper ONLY. No communication will be admitted in this column without the name of the writer being attached, not necessarily for PUBLICATION.

8th November, 1923.

The Editor,
McGill Daily.

Sir:—At a meeting of the Athletic Board held today I was instructed to address a reply to the letter appearing in your correspondence columns Friday, November 2nd, signed R. W.

It is assumed that the writer of this letter is Rex Wiggins, President of the Harrier Club, since the sentiments expressed in the letter were very similar to the sentiments expressed by him at a meeting of the Managers held Wednesday, October 31st.

The impression Mr. Wiggins sought to create was unfair and incorrect. The R. M. C. team was invited to dinner following their match at the Stadium, but this invitation was declined as long standing arrangements had been made for their entertainment.

Everything possible was done by this University to make the R. M. C. team at home and Mr. Wiggins was fully aware of all this information two days before the appearance of his letter in the Daily.

(Signed) D. Stuart Forbes,
Athletic Manager.

The Editor

McGill Daily

Sir:—I wish to explain my letter of November 2nd, to my mind rather inaccurately interpreted and criticized by our friends Mr. Theodore H. Harris and "A Casual Observer."

The sole purpose of the letter was to obtain action not criticism.

The reason for stating the need of a small room was not because I understood there were few, if any, active dissenters at the time, but to find out, by hostile words, how many supporting their players in the major were really dissatisfied with the at-sports of the day.

mosphere in the Redpath Library.

The questions were suggestions not open criticism on my part. The reason for writing that it would be "in my opinion charitable and acceptable" was not for the reason of showing myself "self-centered" but rather because I realized that my opinion was shared by others.

The suggestion of "A Casual Observer" is very appropriate and I feel that he is trying to maintain this spark, and not attempting to dampen it like that enlightened Scribe. I certainly wish that everyone, including myself, possessed more concentration. But the fact is, noise does disturb and impede those who are trying to think.

It is not fair, however, that I should be judged as self-centered, etc., when my thoughts in this matter concern many others as Mr. Theodore H. Harris has kindly reminded me.

Let us hope that this correspondence will result in real action. Let us begin today and become self-centered in regard to the Library, a thing of which I have been accused.

Yours truly,
H. F. Moseley

RELAY RACE AT STADIUM MONDAY

Gill to Race Between Periods

Between the periods of the McGill-M.A.A.A. game on Monday the spectators are to be afforded an unusual treat in seeing a "Medley Relay Race." This time the inter-period entertainment is not to be of the usual type which passes under the general name of vaudeville, but there is to be a bona fide relay race, the runners to be from University of Montreal, The Montreal Amateur Athletic Association and McGill University. The race has been organized by the McGill Track Club and it is expected that there will be heats of 220 and 440 yards and one of half mile.

This contest will be of unusual interest since two of the contesting teams will have behind them the whole mass of the rooters who are tired out by hostile words, how many supporting their players in the major were really dissatisfied with the at-sports of the day.

HON. GEO. FOSTER AT PEOPLES FORUM

Splendid Programme Planned for November

The Peoples Forum of Montreal have arranged an especially interesting programme for their weekly meetings for November.

Next Sunday is Armistice day and the "Forum" has obtained a speaker eminently suited for the occasion in the person of The Right Honorable George E. Foster, whose subject will be "Five years since the Armistice." While Mr. Foster is a seasoned veteran of Canadian politics he is still leading vigorous and no one in Canada knows more intimately than he, the steps leading to the formation of the league of nations. He has long been known as a convincing speaker and a keen debater and will be in his element at the question time. An organ recital by George M. Brewer, F. A. G. O. will precede the address.

At their meeting of Sunday last a most enlightening address was given entitled "What Next in Europe?" by Professor Jackson of Toronto University.

While one would be little less than an inspired prophet to give any definite idea of what will come out of the present chaos in Europe, Professor Jackson was able to give some most enlightening points on the expected relations of Canada with the European countries.

On November 18th Mr. John Haynes Holmes of New York will speak on "The Outlay of War as the Road to Peace". Mr. Holmes is the minister of the Community Church, New York
